#### Keeping Vehicles on the Road and Producing Revenue

The On-Site Fleet Services of Florida's Semi-Trailer Refurb Program is designed to minimize downtime and save you money. We understand the conditions that trailers operate in, how they are used and why they fail. Most importantly, we guarantee our work and can make your trailer operate and look better than new.

*Ask yourself, why buy new when our program can add 15-20 years of service to your trailer—at a fraction of the cost of a new trailer?*

#### Refurb Program Advantages and Benefits:

- Utilize existing assets to refurb to “like new” condition
- Reduce required new unit expenditures by up to 60%
- Reduce breakdown frequency and down time
- Reduce in-house repair costs associated with an aging fleet
- Maintenance cost are comparable to new unit maintenance cost

#### The Refurb Components include:

- Suspension and Brake System Rebuilds
- Doors and Compartments
- Reskin
- Electrical and Lighting
- Tire, Wheel and Rim Replacement
- Undercarriage and Mud Flaps
- Landing Gear
- Floor Repair / Replacement
- Walking Floor Repair / Replacement
- Roof
